

## Financial Disclaimer

DhanMatrix Securities is not a registered investment adviser / research analyst with the Securities and Exchange Board of India (SEBI).

The platform does not provide:

- Investment advice
- Stock recommendations
- Buy/sell signals

All content, tools, and AI-generated outputs are intended solely for:

- Educational purposes
- Informational purposes

Users are solely responsible for their financial decisions.

We strongly recommend consulting a SEBI-registered financial advisor before making any investment.

DhanMatrix Securities shall not be held liable for any financial losses or damages.

Advisory services/Ra service, if introduced in the future, will only be offered after obtaining necessary regulatory approvals.
